Subject: Rectification of S-Band Radar for 700
Passenger Vessel

M/s. A.S. Moloobhoy & Sons, Mumbai

Sub: Rectification of S-Band Radar for 700-
Passenger Vessel

Kind Attn: Ms. Nafeesa, Managing Director

We are happy to note that your specialist service engineer deputed to HSL from M/s. ASM & Sons to attend to rectification of S Band Radar and it has been successfully completed and commissioned. We appreciate your personal attention to the above problem in closely monitoring the progress of rectification at every stage and ensuring commissioning of S. Band Radar at a very critical juncture for the delivery of 700 Passenger Vessel. Our C&M.D, Director (Tech), Director (F&C), GM(PM) and Purchase Dept of HSL wish to convey thanks to M/s.ASM & Sons in general and to your goodself in particular for the timely help. We look forward for such co-operation in future and we also assure we will extend our co-operation to ASM & Sons. Regards
