**A.S. Moloobhoy & Sons,**  
Mumbai.

Dear Ms. Moloobhoy,

I would like to place on record that your organization, A.S. Moloobhoy & Sons have been doing an excellent job as the authorized Sales & Service Agents of Furuno equipment in India.

At present, we have three vessels exclusively fitted with Furuno Navigation / Communication package;

1. Everest (built at Brevik Construction AS, Norway in September 2000)
2. Kailash (built at Havyard Leirvik AS, Norway in Nov 2006)
3. Kamet (built at Havyard Leirvik AS, Norway in May 2007)

You are aware that our company is pursuing an aggressive fleet expansion and have at present on order Five Offshore Supply Vessels & One Construction Barge being built in Norway & China.

In view of the quality of services rendered by your organization on board our vessels, we have persuaded the shipyards to procure & install Furuno Navigation/Communication packages for the following new buildings in our fleet;

1. Poorna (being built at Fujian Southeast Shipyard, China)
2. Mana (being built at Havyard Leirvik AS, Norway)
3. Meghna (being built at Fujian Province Guanghai Shipbuilding Co. Ltd., China)
4. Makalu (being built at Havyard Leirvik AS, Norway)
5. TBN – AHTS (being built at Fujian Southeast Shipyard, China)
6. TBN – Accommodation Barge (Being built at Nantong Tongde Shipyard Ltd., China)

As can be seen, all our new building vessels are exclusively fitted with Furuno Navigation / Communication equipment. We are confident that your organization will continue to provide quality services to us in the future and we take this opportunity to wish you & your organization all the very best in years to come.

Thanking you,

Yours truly,

**Ravindra D. Punwani**
